2. Re Covid: All Participants should bring Own Face Masks and Hand Sanitiser and mug.
3. Entry is unlimited.
4. There is a 10 hour time limit for both events i.e. the check points will close at 18:00 hrs latest. Walks are circular routes out of Farthingstone with the full 26 mile event being a 'figure of eight'. Full details of checkpoint closing times will be sent with final instructions. The organisers reserve the right to request the retirement of any participant, who, in their opinion, is unlikely to reach the next checkpoint by the required time. Any participant retiring at a checkpoint will be transported to the finish
5. Any participant retiring must inform a walk official at a checkpoint.
6. The walks are entirely within Explorer OL Map 207 1:25000 or in Landranger 152 1.50000. We recommend all walkers should carry a copy of one of these but a full route description will be available.

9. Car Parking: Farthingstone is only a small village and Street Parking can cause problems as the Church is nearby and space near it is required for services such as weddings etc. A local farmer has kindly supplied Car Parking which is fully sign posted. We ask for your car number if being left in the case of problems with your vehicle.
10. Walkers may be accompanied by a dog. Dogs **MUST** be kept on a **non-extending** lead throughout, be fit to compete and be taken at the Participants' sole responsibility. Please clean up after your dog. Please note, there are a great number of stiles on the route.
11. The organisers reserve the right to impose additional rules on the day, especially in the event of bad weather or changes in Covid regulations.
12. The organisers can accept no responsibility for injury damage or other loss however sustained.
